PARTIES' JOINT STATUS REPORT

Pursuant to the Court's December 11, 2014 Order (dkt. 28), the Parties submit the instant Joint Report to update the Court regarding the status of their settlement discussions. Counsel for the Parties previously conducted a mediation in August 2014 with the Honorable Morton Denlow (ret.) of JAMS in another case, and the Parties have had multiple subsequent communications with the assistance of Judge Denlow regarding possible settlement terms, including exchanges of additional information and a draft settlement agreement earlier this week. Given the fact that there are multiple actions currently pending and the Parties are discussing a global settlement of those actions, it is possible that a settlement will require the dismissal and re-filing of a consolidated action for purposes of a settlement. But the Parties will, of course, inform the Court if that occurs and will otherwise promptly advise the Court if a settlement is reached.

In light of their ongoing discussions and in order to focus their efforts on determining whether a settlement of this matter can be reached, the Parties respectfully propose that the Court

continue the current stay of this case until January 29, 2015, at which time the Parties will file an updated status report regarding their discussions.

Respectfully submitted,

JANET BURTON, individually and on behalf of all others similarly situated,

Dated: January 8, 2015
